PUBLIC NOTICE

Date: 18 March, 2002

To: Interested Parties

Subject: Clean Water Act Section 303(d) List of Impaired Waters, 2002 Update for Region 9: Final Recommendations.

The California Regional Water Quality Control Board, San Diego Region (Regional Board) announces the release of its final recommendations for updating the Clean Water Act Section 303(d) List of Impaired Waters for 2002. The updated staff report, tables and appendices can be found on the website (www.swrcb.ca.gov/rwqcb9) or is available at the office (address above).

The updates have been forwarded to the State Water Resources Control Board (State Board) and are being considered as it formulates a single, statewide list of impaired waters. The State Board will announce its release of the draft statewide list when it opens the public review period. All comments can be directed to the State Board or to the Regional Board. Comments received by the Regional Board will be reviewed and forwarded to the State Board. The State Board will conduct a public workshop(s) and the formal public hearing(s) as it considers adoption of the statewide list.

Any questions or comments can be addressed to Mr. Jimmy Smith at:
303dlist@rb9.swrcb.ca.gov or at (858) 467-2732.

California Environmental Protection Agency

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Web-site at <http://www.swrcb.ca.gov>.
